An act to add Section 6361.3 to the Revenue and Taxation Code, relating to taxation, to take effect immediately, tax levy.

LEGISLATIVE COUNSEL'S DIGEST

AB 479, as amended, Donnelly. Sales and use taxes: exemptions: textbooks.

The Sales and Use Tax Law imposes a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state. That law provides various exemptions from those taxes.

This bill would exempt from those taxes the gross receipts from the sale in this state of, and the storage, use, or other consumption in this state of, a textbook, as defined, purchased by a student at an institution of higher education or sold by an entity whose primary purpose is to provide textbooks to students attending institutions of higher education, for use as a learning resource in any course of study at that institution.

The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts

to impose transactions and use taxes in accordance with the Transactions and Use Tax Law which conforms to the Sales and Use Tax Law. Exemptions from state sales and use taxes are incorporated into these laws. Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.

This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse local agencies for sales and use tax revenues lost by them pursuant to this bill.

This bill would take effect immediately as a tax levy, but its operative date would depend on its effective date.

*The Bradley-Burns Uniform Local Sales and Use Tax Law authorizes counties and cities to impose local sales and use taxes in conformity with the Sales and Use Tax Law, and existing law authorizes districts, as specified, to impose transactions and use taxes in accordance with the Transactions and Use Tax Law, which conforms to the Sales and Use Tax Law. Amendments to state sales and use taxes are incorporated into these laws.*

*Section 2230 of the Revenue and Taxation Code provides that the state will reimburse counties and cities for revenue losses caused by the enactment of sales and use tax exemptions.*

*This bill would provide that, notwithstanding Section 2230 of the Revenue and Taxation Code, no appropriation is made and the state shall not reimburse any local agencies for sales and use tax revenues lost by them pursuant to this bill.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
